

HOW IT WORKS

1. Visit RainFire Missions page to become an affiliate partner and start earning money for your mission to change the world
2. Find a mission category that you would like to participate in
3. Register and create your unique mission code to give to individuals and business owners to support you in your mission
4. Add a listing profile for your mission on RainFire Mission page. Be sure to list your affiliate mission code on your listing so people can find you and support you
5. When anyone advertises with us you will earn 50% commission on all advertising dollars
6. When someone purchases any products on our Black Diamond Fire E-commerce you will receive 10% of gross sales into your wallet
7. Set up your stripe account to transfer funds into your bank account
8. Keep track of your funds on your affiliate code dashboard
9. Keep getting paid the same amount every month as long as your business continues to advertise with us
10. Example if you find 10 attorney's offices to advertise with us you can potentially earn 10k a month. Packaging prices vary
11. Encourage others to join the movement to change the world through mission work
12. The sky is the limit on potential earnings for your mission field work
